## BRINGING BRANDS TO LIFE THROUGH CAREFULLY DESIGNED, MORE SUSTAINABLE AND CUSTOMISABLE PRODUCT MEDIA

Welcome to the 2026 catalogue – a carefully curated selection of nearly 1,000 products. Here you'll find new arrivals, must-haves, and your favourite bestsellers, designed to showcase our products and to inspire you.

The assortment covers a wide spectrum – from affordable essentials to premium retail brands. No matter the budget, there is always a product that fits. From reliable, budget-friendly products in the Good range, to the Better selection with the perfect balance of price and quality, and finally the Best range, featuring premium brands and exclusive, high-end products – you can always find the right match for any project.

Sustainability guides how products are designed and sourced. We are gradually replacing virgin fossil-based plastics with recycled alternatives and expanding certified collections with certifications such as OCS

or blockchain traceability such as Aware™. Our goal is to increase material transparency and traceability, while improving working conditions across our supply chain.

Let's move forward»  
to a lower impact

A close eye is kept on trends to ensure products remain fresh and relevant. In apparel, fabrics like corduroy, seasonal colours such as sandstone and heather green, and unisex designs keep collections current. Drinkware follows lifestyle trends too: insulated bottles, oversized tumblers, and single-wall stainless steel bottles in new colours offer both style and function.

Across the collection we also focus on consistency. Within categories, we strive to offer multiple products, that share the same quality, materials, and colours. This allows you to combine different items into one set without colour or quality deviations – perfect for creating a coherent look. Examples include our bag ranges, such as the Turner and Puffer series.

Customisation brings every product to life. Different materials demand different techniques. More sustainable printing methods such as DTF allow vibrant, detailed results across multiple materials. Combining high-quality finishes with a lower environmental impact. With the Create Your Own programme, you can go even further – custom materials, unique PMS colours, special accessories, or finishes – bringing your vision to reality.

**This catalogue is more than a product guide. It's a tool for inspiration: browse, save favourites, share with colleagues or clients, and discover possibilities for every budget.**

A bright yellow short-sleeved t-shirt with a crew neck and raglan sleeves. A small blue circular logo is visible on the left side of the chest.

A person is shown from the waist up, wearing a light pink t-shirt. The t-shirt features a logo in the center that reads 'INFINITY' in a stylized, geometric font. The letters 'I', 'N', and 'F' are on the left, and 'T', 'Y' are on the right. The central part of the logo consists of two large, dark grey, angular shapes that form a stylized 'V' or 'M' shape, with a small pink diamond at the top and a small white diamond at the bottom. The person is also wearing dark pants. In the top left corner of the image, there is a small blue circular icon with a white bullseye design.

# CONSISTENT LOOK, FLEXIBLE CHOICES

Promotional clothing doesn't have to be one-size-fits-all. Within our range we've developed special series where different models are available in the same high-quality fabrics and matching colours. This way, everyone can pick the style they like best – whether it's a classic crewneck, a hoodie or a full-zip – while you keep a consistent and professional look for your brand.

# THE WASHED COLLECTION

UNIQUE FINISH,  
BOLD CHARACTER

Following the latest trend in casual, lived-in style, we present a selection of washed items that bring character and individuality to promotional clothing. What makes these pieces special is the unique acid wash treatment they undergo. Gentle bleaching and dyeing create subtle colour nuances – lighter and darker areas that give each piece a distinctive, lived-in look. The result, a soft, familiar fabric with a bold, individual character.

Every item can be personalised with a logo, making it a unique, branded piece that stands out while staying comfortable and stylish.

Those who take branding as seriously as we do are only satisfied when their brand experience perfectly reflects their brand identity. Down to the very last fiber.

When it comes to printed clothing, this is where the bar should be set. Brands that are worn with pride are brands that last. Elevated in people's preference. This is what Elevate is all about. It's in our name; it's in our nature; it's in everything we do. From the design, to development, down to the actual delivery. We're right on top of it all. That's how we guarantee quality and consistency for every single piece of branded apparel we deliver. Suited for everyone, every single time.

# AN IDEA BORN FROM THE MOST BASIC HUMAN NEED

CamelBak was established in 1989 after the company's founder made a prototype using an IV bag of water and a tube sock, inventing the first hands free hydration solution designed especially for cyclists needs. A lot has changed since then, except Camelbak's thirst for innovation and quality. Today CamelBak is a household name and market leader in the hydration category with a wide range of drinkware products.

# BUILT FOR LIFE.

The Stanley brand has a rich 100+ year history. Born from inventor William Stanley Jr. who forever changed the way hot drinks were consumed, in 1913 he fused vacuum insulation and the strength of steel in one portable bottle, inventing the all-steel vacuum bottle we know and love today. In the century since, his vacuum bottle evolved from concept to icon and has become an essential part of workdays, road trips and outdoor adventures.

## Ocean Bottle

Alongside a range of standard models, we offer the possibility to create a fully customised Ocean Bottle. The range contains recycled steel and recycled ocean-bound plastic. Every Ocean Bottle purchased prevents 1000 plastic bottles from reaching the ocean.

### The options:

- Mix and match standard colours
- PMS matched components
- Optional GO Sport lid with straw (limited models)

## Custom drinkware

We've taken some of our best-selling drinkware — your favourites — and made them fully customisable. Why settle for standard when you can create something unique?

### The options:

- PMS matching colours
- Alternative printing techniques (air transfer, water transfer)
- Gift packaging
- Change lid styles

# ANYWHERE IT MAY TAKE YOU

For almost 40 years, Case Logic has developed and designed great bags and cases for handheld electronic devices. Beginning with just two audiocassette storage cases, they helped to create and expand the growing field of audio storage. Music may have changed, technology has evolved, and the word “mobile” has taken on a whole new meaning.

With products such as laptop bags, daypacks for school, university and work, tablet cases, laptop sleeves and camera bags, they balance performance and style for a mobile life in an urban environment.

# WHEREVER YOUR PASSION TAKES YOU

In 1942, Thule was founded, when Erik Thulin, a true lover of the outdoors, put the Thule name on a so called pike fishing trap (a fishing gear) that he designed and began to sell to the fisherman of Scandinavia. Under the motto Bring your life, Thule globally offers a wide range of premium products for active people that allow them to bring what they care most for – safely, easily and in style.

From camera bags to laptop sleeves, luggage and duffels to daypacks and messengers, the Thule bag range consists of different smart bags that work well on bikes, cars and other transport as when they are carried around. Thule bags, luggage and backpacks adjust to the fast pace of life in the city or the challenge of living in the wild.

**For 135 years Parker has continuously built upon a legacy of craftsmanship and quality, making the Parker name synonymous with excellence in Fine Writing.**

Parker has always believed that all great things take time. This ethos began in 1888 with the dream of a 25-year-old entrepreneur, the brand's founder, George Safford Parker, who stated, 'it will always be possible to make a better pen'. This philosophy is well embodied with the Parker Jotter pen. After nine years spent perfecting the research and technology, the iconic Jotter was launched in January 1954. The Parker Jotter has become one of the world's most iconic pens and is still to this day renowned for its style, reliability and functionality, down to its signature click. It has been the everyday writing instrument of choice for generations and remains relevant to the modern consumer 65 years on.

# LUXURY GIFTS FOR EVERY MOMENT

“High-quality, vegan, and durable products with luxury appeal and social contribution.”

Wellmark is a Dutch brand that has been developing hand soap, scented candles, gift boxes, and other luxury home and body products since 2017. All items are refillable or reusable and come in glass packaging with a minimalist design. The quotes on the products and the beautiful design of the kraft cardboard packaging always put a smile on the face of the giver and receiver!
