QUALITY FOR SUSTAINABILITY

SCX.design is a French brand founded in 2017, specializing in technology. It creates innovative and design products. It's in Paris that their ideas come to life, with an experienced and passionate team. All products have an exclusive design and the main characteristics are that they are rubber coated, delivered in a premium gift box, and can be printed with a light-up logo.

SCX.design has decided to commit to a 3-year warranty for its entire range. This unique approach is part of a two-pronged strategy: quality & durability. A strict process imposes the choice of components for all their products to meet this commitment. The brand quickly conquered several continents, including Europe, Asia and North America.
